Dear Parents

### Annual Reporting to Parents

Reports will come home next week for children in years 1 to 6. We write our reports in the Spring term to highlight children's strengths and give them targets to achieve. The teacher who sets the targets then has a term to help the child achieve them. Please read through the report and return the parent and child comment sheet; as well as the data collection sheet. Staff are very appreciative of the comments from home, as it helps to ensure success for children.

### General Data Protection Regulation (GDPR)

This new legislation comes in effect in May 2018. Marwood School will be issuing a new notice to parents about why we hold data and what we do with it. We will also be asking for positive consent for things like having a child photographed at school. If you have any questions about this please contact the school office.

### Request from Class 1

Does anyone have a toy garage they would be willing to donate for the children to use. Any toy (matchbox size) cars would also be appreciated. Please let Mrs Griffin or Mrs May know if you can help.

### Severe Weather

Cold snowy weather is forecast for the weekend. I will make an assessment of the lanes around school on Sunday afternoon and post on the school website regarding our opening arrangements for Monday.

Congratulations go to the children in Class 4 who represented the school yesterday at a netball and football tournament at Kingsacre school. Well done to the year 6 netball team for being silver medallists.
